An easy way to lower tuition.

# SAVE BIG on TUITION by SHOPPING

## Picture this...

You make your usual yearly shopping outing for new school clothes and supplies for your children. Your pants, skirts, shirts, dresses, and shoes are rung up and bagged, and you pay a grand total of \$400.

Guess what! You could have just earned money for your children's tuition at SCL and made a donation to SCL, too! On the way home, you fill up your tank and grab a pizza. That's another few dollars towards tuition and for SCL!

## How is this possible?

Welcome to the Scrip program. Scrip is a term that means "substitute money." When you purchase Scrip, you are purchasing gift certificates and prepaid cards that are used just like cash.

The Great Lakes Scrip Center acts on behalf of schools, churches, and nonprofit organizations to purchase large amounts of Scrip from over 400 participating retailers at a substantial discount.

SCL buys the Scrip from Great Lakes Scrip Center at a discount, and resells the certificates to families like yours for full face value. The discount, from 2% to 15% or more, is tuition credit for you and a donation to SCL.

**JOIN the 150+ families who use Scrip!**

This is the exciting news: **75% of the rebate on any retailer's Scrip can be designated for tuition credits** for your children or can be designated to another family. The remaining 25% is a donation to SCL and helps cover the cost of the program.

A Scrip tuition credit account may be opened for families with children as young as newborns. Grandparents, other family members, co-workers, or neighbors can also purchase Scrip that can accrue towards YOUR Scrip family account. Just complete an agreement form and register online to open your Scrip tuition credit account.

What a great savings program for your child's Christian education and donation to help SCL!
